

Technical drawing of a road cross-section and longitudinal profile. The top part shows the longitudinal profile with a dashed line for the road grade and a solid line for the ground level. The bottom part shows the cross-section with a central road bed, side ditches, and a drainage ditch. Labels include 'AP T=3,87 m', 'NHN 141,00', 'Erdbänne', 'Zufahrt', 'SW 1 T=4,20 m', 'SW 2 T=3,85 m', 'SW 3 T=3,99 m', 'SW 4 T=3,99 m', and various slope percentages like -2,20%, +0,40%, -0,50%, +1,00%, -0,60%, and +0,50%.
